

Fill in the gaps

Nothing Else Matters by Metallica

So close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing else matters
never (1)_____ myself (2)_____ way
life is ours, we live it our way
all these words I don't just say
and nothing else matters
trust I seek and I find in you
every day for us (3)_____ new
open mind for a different view
and nothing else matters
never cared for (4)_____ they do
never (5)_____ for what they know
but I know
so close no matter how far
couldn't be much (6)_____ from the heart
forever trusting who we are
and nothing else matters
never cared for what they do
never cared for what they know

but I know
never opened myself (7)_____ way
life is ours, we live it our way
all these words I don't just say
trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing (8)_____ matters
never cared for what they say
never cared for (9)_____ they play
never cared for what they do
never cared for what they know
and I know
so close no matter how far
couldn't be much more from the heart
forever trusting who we are
no (10)_____ else matters
