

Fill in the gaps

Nothing Else Matters by Metallica

So close no matter how far
couldn't be much more from the heart
forever (1)_____ who we are
and nothing else matters
never opened myself this way
life is ours, we (2)_____ it our way
all these words I don't just say
and nothing else matters
trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters
never cared for what they do
never cared for what they know
but I know
so close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing else matters
never cared for (3)_____ they do
never cared for what they know

but I know
never opened myself this way
life is ours, we live it our way
all these words I don't (4)_____ say
trust I (5)_____ and I find in you
every day for us something new
open (6)_____ for a different view
and (7)_____ else matters
never cared for what they say
never cared for games they play
never cared for (8)_____ they do
never cared for what (9)_____ know
and I know
so close no matter how far
couldn't be much more from the heart
forever trusting who we are
no nothing (10)_____ matters
