

Fill in the gaps

So close no matter how far					
couldn't be much more (1) the hear					
forever trusting who we are					
and (2) (3) matters					
never opened (4) this way					
life is ours, we live it our way					
all these words I don't (5) say					
and nothing else matters					
trust I (6) and I (7) in you					
every day for us (8) new					
open mind for a different view					
and nothing else matters					
never cared for what they do					
never cared for what they know					
but I know					
so (9) no matter how far					
couldn't be much (10) from the heart					
forever trusting who we are					
and nothing else matters					
never (11) for what they do					
never (12) for what they know					

but I know					
never (13)	(14)_		1	his way	
life is ours, we live it our way					
all these words I don't just say					
trust I seek and I (15)_		in you			
every day for us something new					
open mind for a (16)			viev	٧	
and nothing else matters	s				
never (17)	for what	(18)		say	
never cared for (19)		they play			
never (20)	for what	(21)		do	
never cared for (22)	tl	ney know			
and I know					
so (23) no matter how far					
couldn't be much (24)_		from the h	eart		
forever (25)		who we ar	e		
no nothing else matters
