

Fill in the gaps

So close no matter now far	
couldn't be much more from the he	eart
forever (1) wl	no we are
and nothing else matters	
never opened (2)	this way
life is ours, we live it our way	
all these words I don't just say	
and nothing (3) matters	;
trust I seek and I find in you	
every day for us something new	
open mind for a different view	
and nothing else matters	
never cared for what they do	
never cared for what (4)	know
but I know	
so close no matter how far	
couldn't be much more from the he	eart
forever trusting who we are	
and nothing else matters	
never cared for what they do	
never cared for what they know	

DUT I KNOW	
never opened (5) this way	
life is ours, we live it our way	
all these words I don't just say	
trust I seek and I find in you	
every day for us something new	
open (6) for a (7)	_ view
and nothing else matters	
never cared for what they say	
never (8) for games they play	
never cared for what they do	
never cared for what (9) know	
and I know	
so close no matter how far	
couldn't be much more from the heart	
forever (10) who we are	
no nothing else matters
