

Fill in the gaps

I Love It by Icona Pop & Charli XCX

I got (1) feeling on the summer day	I crashed my car (17)	the bridge
When you (2) gone	I watched, I let it burn	
I (3) my car into the bridge	I threw your shit into a bag	
I watched, I let it burn	And pushed it down the stairs	
I threw your (4) (5) a bag	I crashed my car (18)	the bridge
And pushed it down the stairs	I don't care	
I (6) my car into the bridge	I love it	
I don't care	I don't care	
I love it	I love it, I love it	
I don't care	I don't care	
I got (7) feeling on the summer day	I (19) it	
When you (8) gone	I don't care	
I crashed my car (9) the bridge	You're on a (20)	road
I watched, I let it burn	I'm in the milky way	
I (10) your shit into a bag	You want me (21)	on earth
And pushed it (11) the stairs	But I am up in space	
I (12) my car into the bridge	You're so (22)	hard to please
I don't care	We gotta kill this switch	
I love it	You're from the seventies	
I don't care	But I'm a nineties bitch	
You're on a (13) road	I don't care	
I'm in the milky way	I love it	
You (14) me down on earth	I don't care	
But I am up in space	I love it, I love it	
You're so damn hard to please	I don't care	
We gotta kill (15) switch	l (23) it	
You're from the seventies	I don't care	
But I'm a (16) bitch	I love it, I love it	
I love it	I don't care	
I love it	I love it	
I got this feeling on the summer day		
When you were gone
