

Fill in the gaps

Really Don't Care (Live) by Demi Lovato

	Now if we meet out on the street
You wanna stay, you (1) play	I (13) be running scared
You wanna (2) it all	I'll walk (14) up to you
You started (3) with my head	And put one (15) in the air
Until I hit a wall	And (16) you understand
Maybe I should've known	And (17) you understand
Maybe I should've known	You had your chance, had your chance
That you would walk	But even if the stars and moon collide
You (4) walk out the door (hey)	I never want you back into my life
Said we were done	You can (18) your (19) and all you
And met someone and rubbed it in my face	lies
Cut to the part she broke your heart	(Oh, oh, oh)
And then she ran away	I really don't care
I guess you shoulda known	Even if the stars and moon collide
I (5) you shoulda known	I never want you back into my life
That I would talk, I would talk	You can take (20) words and all your lies
But even if the stars and moon collide	(Oh, oh, oh)
I never want you back into my life	I really (21) care
You can take your words and all your lies	(Oh, oh, oh)
(Oh, oh, oh)	I really don't care
I really don't care	Hey, hey never look back
But even if the (6) and moon collide	Dumbstruck boy, ego intact
I (7) want you (8) into my life	Look boy, why you so mad
You can take your words and all your lies	Second (22) him, but shoulda hit that
(Oh, oh, oh)	But even if the stars and moon collide
I really don't care	I never want you back (23) my life
(Oh, oh, oh)	You can take your words and all your lies
I (9) don't care	(Oh, oh, oh)
I can't believe	I really don't care
I ever (10) up writing (11) about	Even if the stars and moon collide
you	I (24) want you back (25) my life
You don't deserve to know	You can take your (26) and all (27)
The way I used to (12) about you	lies
(Oh) no, not anymore	(Oh, oh, oh)
(Oh) no, not anymore	I really don't care
You had your shot	(Oh, oh, oh)
Had your shot	I really don't care
But you (let go)
