You're Not Alone by Mads Langer

Fill in the gaps

In a way it's all a matter of time
I will not worry for you – you will be just fine
Take my thoughts with you, and (1) you look behind
You will (2) see a face that you recognize, yeah yeah
You're not alone, I'll wait till the end of time
Open your mind, surely it's (3) to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely it's (4) to be with me
It is the distance that makes (5) a little hard
Two minds that once were close; now so many miles apart
I will not falter though, I'll hold on till you're home, yeah yeah
Safely back where you belong, and see how our (6) has grown
You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open (7) mind, surely it's time to be with me
You're not alone, surely it's (8) to be with me
Open your mind, yeah
You're not alone – oh, I'll wait till the end of time for you

Open your mind - open your mind, yeah yeah
