## Why'd You Only Call Me When You're High by Arctic Monkeys

(this week)	Left you multiple (5) calls
(How many (1) can you keep)	And to my message, you reply
('Cause there's this tune I've found)	Why'd you (6) call me when you're high
(That makes me think of you somehow)	High
(And I (2) it on repeat)	Why'd you only call me when you're high
(Until I fall asleep)	Somewhere darker
(Spilling drinks on my settee)	Talking the same shite
(Do I wanna know)	I need a partner (high)
(If this feeling flows both ways)	Well, are you out tonight
(Sad to see you go)	It's harder and harder to get you to listen
(Sort of hoping that you'd stay)	More I get (7) the gears
(Baby we both know)	Incapable of making alright decisons
(That the nights were mainly made)	And having bad ideas
(For saying things that you can't say tomorrow day)	Now it's three in the morning
(Crawling back to you)	And I'm trying to change your mind
(Ever thought of calling when)	Left you multiple missed calls
(You've had a few)	And to my message, you reply (message you reply)
('Cause I always do)	Why'd you only call me when you're high
(to fall for somebody new)	(Why'd you only (8) me when you're)
(Crawling back to you)	High
(Crawling back to you)	Why'd you only call me when you're high
(So have you got the guts)	And I can't see you here wondering where I might
(Been wondering if your heart's still open)	It sort of feels like I'm running out of time
(And if so I wanna know what time it shuts)	I haven't found what I was hoping to find
(Crawling back)	You said you gotta be up in the morning
The mirror's image	Gonna have an early night
Tells me it's home time	And you're starting to bore me, baby
But I'm not finished	Why'd you only call me when you're high
'Cause you're not by my side	Why'd you only ever phone me when you're high
And as I arrived I thought I saw you leaving	Why'd you only (9) (10) me when
Carrying your shoes	you're high
Decided that once (3) I was just dreaming	Why'd you only ever phone me when you're high
Of bumping into you	Why'd you only ever phone me when you're
Now it's three in the morning	High
