

## Fill in the gaps

I'm rolling thunder pouring rain	I got my bell I'm (6) take you to hell
I'm coming on like a hurricane	I'm gonna get ya satan get ya
My lightning's flashing across the sky	Hells bells
You're only young but you're gonna die	Hells bells
I won't (1) no prisoners won't (2) no	You got me ringing, hells bells
lives	My temperature's high, hells bells
Nobody's putting up a fight	Hells bells
I got my bell I'm gonna take you to hell	Satan's coming to you, hells bells
I'm (3) get ya satan get ya	He's ringing (7) now, those (8) bells
Hells bells	The temperature's high, hells bells
Yeah, hells bells	Across the sky, hells bells
You got me ringing, (4) bells	They're taking you down, hells bells
My temperature's high, hells bells	They're dragging you down, hells bells
I'll give you black sensations up and down your spine	Gonna split the night, hells bells
If you're into evil you're a friend of mine	There's no way to fight
See the white light flashing as I split the night	
'Cause if good's on the left	Hells bells
Then I'm sticking to the right	
I won't take no (5) won't spare no lives	
Nobody's putting up a fight
