Love The Way You Lie by Eminem

Fill in the gaps

Just gonna stand there			
And watch me burn			
But that's alright			
Because I like			
The way it hurts			
Just (1) stand there			
And hear me cry			
But that's alright			
Because I love			
The way you lie			
I love the way you lie			
I love the way you lie			
I can't tell you what it really is			
I can only tell you what it feels like			
And right now there's a steel knife			
In my windpipe			
I can't breathe			
But I still fight			
While I can fight			
As long as the wrong feels right			
It's like I'm in flight			
High of a love			
Drunk from the hate			
It's like I'm huffing paint			
And I love it the more that I suffer			
I sufficate			
And right before im about to drown			
She resuscitates me			

She fucking hates me

Fill in the gaps

SUB inglés		
And I love it Wait		
Where you going		
I'm leaving you		
No you ain't		
Come back		
We're running right back		
Here we go again		
It's so insane		
Cause when it's going good		
It's going great		
I'm Superman		
With the wind in his bag		
She's Lois Lane		
But when it's bad		
It's awful		
I feel so ashamed		
I snap		
Who's that dude		
I don't even (2) his name		
I laid hands on her		
I'll never stoop so low again		
I guess I don't know my own strength		
Just gonna stand there		
And watch me burn		
But that's alright		
Because I like		
The way it hurts		

Just gonna stand there

And hear me cry

But that's alright
Because I love
The way you lie
I love the way you lie
I (3) the way you lie
You ever love somebody so much
You can barely breathe
When you're with them
You meet
And neither one of you
Even know what hit 'em
Got that warm fuzzy feeling
Yeah them chills
Used to get 'em
Now you're getting fucking sick
Of looking at 'em
Of looking at 'em You swore you've never hit 'em
You swore you've never hit 'em
You swore you've never hit 'em Never do (4) to hurt 'em
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom And these words
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom And these words When you spit 'em
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom And these words When you spit 'em You push
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom And these words When you spit 'em You push Pull each other's hair
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom And these words When you spit 'em You push Pull each other's hair Scratch, claw, bit 'em
You swore you've never hit 'em Never do (4) to hurt 'em Now you're in each other's face Spewing venom And these words When you spit 'em You push Pull each other's hair Scratch, claw, bit 'em Throw 'em down

It's the rage that took over

It controls you both
So they say it's best
To go (6) separate ways
Guess that they don't know ya
Cause today
That was yesterday
Yesterday is over
It's a different day
Sound like broken records
Playin' over
But you promised her
Next time you'll show restraint
You don't get another chance
Life is no Nintendo game
But you lied again
Now you get to watch her leave
Out the window
Guess that's why they call it window pane
Just gonna stand there
And watch me burn
But that's alright
Because I like
The way it hurts
Just gonna (7) there
And hear me cry
But that's alright
Because I love
The way you lie

I love the way you lie

I love the way you lie

Did	things	3
-----	--------	---

That we	didn't	mean
---------	--------	------

And we fall back

Into the same patterns

Same routine

But your temper's just as bad

As mine is

You're the same as me

But when it comes to love

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado meets a volcano

All I (9)_____ is

I love you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

Told you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist

At the dry wall

Fill in the gaps

There will be no next time I apologize Even though I know it's lies I'm tired of the games I just want her back I know I'm a liar If she (10)_____ tries to fucking leave again I'mma tie her to the bed And set the house on fire Just gonna stand there And watch me burn But that's alright Because I like The way it hurts Just gonna stand there And hear me cry But that's alright Because I love

The way you lie

I love the way you lie

I love the way you lie

- 1. gonna
