Little Black Submarines by The Black Keys

Little black submarines	Pass me back to my mind
Operator please	(Oh) can it be
Put me back on the line	The voices calling me
Told my girl I'd be back	They get (5) and out of time
Operator please	I should've seen it glow
This is wrecking my mind	But everybody knows
(Oh) can't it be	That a broken heart is blind
The voices calling me	That a broken heart is blind
They get lost and out of time	(Oh) can it be
I should've seen it glow	The voices calling me
But everybody knows	They get lost and out of time
That a broken (1) is blind	I should've (6) it glow
That a (2) heart is blind	But everybody knows
Treasure maps, fallen trees	That a broken heart is blind
Operator please	That a broken heart is blind
Call me back (3) it's time	That a (7) heart is blind
Stolen (4) and disease
