

## Fill in the gaps

| I wanna (1)             | you up        | Brick by brick                       |           |
|-------------------------|---------------|--------------------------------------|-----------|
| Brick by brick          |               | Brick by brick                       |           |
| I (2)                   | (3) you down  | I wanna (6)                          | by brick  |
| Brick by brick          |               | Brick by brick                       |           |
| I'm gonna reconstruct   |               | I wanna (7)                          | by blow   |
| Brick by brick          |               | Brick by brick                       |           |
| I (4)                   | feel you love | I wanna (8)                          | this soul |
| Brick by brick          |               | Brick by brick                       |           |
| Brick by brick          |               | I wanna brick by brick, by brick, by |           |
| I wanna steal your soul |               | Brick by brick                       |           |
| Brick by brick          |               | Brick by brick                       |           |
| I wanna rock and roll   |               | Brick by brick                       |           |
| Brick by brick          |               | Brick by brick                       |           |
| I wanna rock and roll   |               |                                      |           |
| Brick by brick          |               |                                      |           |
| I (5)                   | rock and roll |                                      |           |
