# JUB inglés

After she's pressed unlock

## Fill in the gaps

### The View From The Afternoon by Arctic Monkeys

Anticipation has a habit to set you up	And there's (12) and chapter sat in her inbox
For (1) in	And all (13) it (14) is that you've drank
(2) entertainment but	a lot
Tonight there'll be some love	You (15) bear (16) in mind tonight
Tonight there'll be a ruckus yeah	Bear that in mind
Regardless of what's gone before	Yeah you should bear that in mind tonight
I want to see all of the things	Bear that in mind
That we've (3) seen	You can pour (17) heart out
The lairy girls hung out	But her reasoning will block
The (4) of the limousine	Ought you send her (18) nine o'clock
And of course its fancy dress	Anticipation has a (19) to set you up
And they're all looking quite full on	For disappointment in evening entertainment but
In bunny ears and (5) horns in hell	Tonight there'll be (20) love
Anticipation has a (6) to set you up	Tonight there'll be a (21) yeah
For disappointment in (7) entertainment but	Regardless of what's gone before
Tonight there'll be (8) love	And she (22) be surprised
Tonight there'll be a ruckus yeah	And she won't be shocked
Regardless of what's gone before	When she's pressed the star
I want to see all of the things	After she's pressed unlock
That we've (9) seen	And there's verse and (23) sat in her inbox
I want to see you take the jackpot	And all that it says is (24) you've drank a lot
Out the fruit machine	You should (25) that in (26) tonight
And put it all (10) in	Bear that in mind
You've got to understand it	Yeah you should bear that in mind tonight
You can never beat the bandit, no	Bear that in mind
And she won't be surprised	You can pour your heart out around 3 o clock
And she won't be shocked	When the 2 for 1's undone the writers block
When she's (11) the star	

#### 1. disappointment

- 2. evening
