

Fill in the gaps

It's true	You (9) (10)
We're all a little	(11) thing
Insane	Dry your (12) and testify
But it's so clear	And (oh)
Now that I am unchained	You love to (13) me
Fear is only in our minds	Don't you, honey?
Taking over all the time	I'm (14) sacrifice
Fear is (1) in our minds	(I (15) in darkness)
But it's taking over all the time	(I sleep to die)
You poor sweet innocent thing	(Erase the silence)
Dry your (2) and testify	(Erase my life)
You know you (3) to (4) me	Do you (16) (our burning ashes)
Don't deny, sweet sacrifice	Why you hate? (blacken the day)
One day	Are you (17) too weak (a world of nothingness)
I'm (5) forget your name	To (18) (19) mistakes? (blow
And one sweet day	me away)
You're gonna (6) in my (7) pain	You (20) (21) innocent thing
Fear is (8) in our minds	Dry your (22) and testify
Taking over all the time	You know you (23) to (24) me
Fear is only in our minds	Don't deny
But it's taking over all the time	Sweet sacrifice
