Watch the world go 'round	The flame (9) burn forever
You shiver	And no one (10) your name
Feeling upside down	Bring the (11) (12) (13)
Your (1) is (2) fast	again
Pumping (3) to your head	Home again
Another day to fight	It was a quiet day
You have a prayer on your lips	On the streets of hope
Under the (4) sun	When the (14) went off
And a loaded gun	At the (15) of the road
(Thank you)	Sounds of (16) steel
You remember	A windshield (17) of blood
That your father said	No enemy in sight
Stay out of (5) son	It feels (18) in a (19) scenes are
And be true to yourself	(20) by
You'll be (6) like a dog	It's your life
Raise a family	The good die young
And life will be alright	There (21) be no tomorrow

If you'll make it out alive	Through all this pain and sorrow
Out alive	The (22) die young
The (7) die young	The flame will (23) forever
There might be no tomorrow	And no one knows your name
In god we trust	Bring the (24) (25) (26)
Through all this pain and sorrow	again
	Home again
