| Whenever I wake up                         | And in my dreams                |
| I'm lost and always afraid                 | I feel immortal                 |
| It's never the same place                  | I am not scared                 |

| Overtakes the pain                         | When I am there                 |
