

Fill in the gaps

Down by the river by the boats	I (13) to the borders on my own
Where everybody (1) to be alone	To (14) in the water (15) (16)
Where you (2) see any (3) sun	a stone
Down to the (4) we (5) run	Chilled to the (17) in them bones
When by the water we drink to the dregs	Why do I go here all alone
Look at the (6) on the river bed	(Oh) my God I see
I can tell (7) your eyes	How everything is torn
You've never been by the riverside	In the (18) deep
Down by the water the riverbed	And I don't (19) why
Somebody calls you (8) says	I go the way
Swim with the (9) and float away	Down by the riverside
Down by the river everyday	(Oh) my God I see
(Oh) my God I see	How everything is torn
How everything is torn	In the (20) deep
In the (10) deep	And I don't (21) why
And I don't know why	I go the way
I go the way	Down by the riverside
Down by the riverside	
When that old river runs (11) your eyes	Down by the riverside
To wash off the dirt on the riverside	Down by the riverside
Go to the water so very near	
The river will be your (12) and ears
