So I got my boots on	But if I had you
Got the right amount of leather	That would be the only (7) I'd ever need
And I'm doing me up	Yeah, if I had you
With a black kohl eyeliner	Then money fame and fortune (8) could
And I'm working my strut	compete
But I know it don't matter	If I had you
All we need in this world is some love	Life would be a party, it'd be ecstasy
There's a thin line	Yeah if I had you
Between the dark side	You, you, you
And the light side	If I had
Baby tonight	The flashing of the lights
It's a struggle	It might feel so good
Gotta rumble	But I got you stuck on my mind
Tryin' to find it	Yeah
But I had you	The flashing and the stage
That would be the only thing I'd ever need	It might get me high
Yeah, if I had you	But it don't mean a thing tonight
Then money fame and fortune never (1)	That would be the only thing I'd ever need
compete	Yeah, if I had you
If I had you	Then money fame and fortune (9) could
Life would be a party, it'd be ecstasy	compete
Yeah, if I had you	If I had you
You, you, you	Life would be a party it'd be ecstasy
If I had you (if I had you)	Yeah, If I had you
From New York to LA	You, you, you
Getting high (2) and rolling	If I had you
Get a (3) trash it up	That would be the only thing I'd ever need
'Til (4) ten in the morning	Yeah, If I had you
Girls in (5) heels boys	Then money fame and (10) never could
Rolling in Maserati's	compete
What they need in this world is (6) love	(Never could compete with you)
There's a thin line	If I had you
Between the wild time	Life would be a party it'd be ecstasy
And a flat-line baby tonight	(It'd be ecstasy with you)
It's a struggle	If I had you
Gotta rumble	You, you, you
Tryin' to find it	If I had you
