Leave your side

No matter what I say

Fill in the gaps

Better Than I Know Myself by Adam Lambert

Cold as ice	'Cause if I wanted to go I would have gone by now
And more (1) than a December	But I really need you near me to
Winter night	Keep my mind off the edge
That's how I treated you	If wanted to (4) I would have left by now
And I know that I	But you're the only one that knows me
I sometimes tend to lose my temper	Better than I know myself
And I cross the line	I get (5) of dark
Yeah that's the truth	Let it go too far
I know it gets hard sometimes	I could be abnoxious at times
But I (2) never	But try and see my heart
Leave your side	'Cause I need you now
No matter what I say	So don't let me down
'Cause if I wanted to go I would have (3) by now	You're the only thing in (6) world
But I really need you near me to	I would die without
Keep my mind off the edge	'Cause if I wanted to go, I would have (7) by now
If I wanted to leave I would have left by now	But I really need you near me to
But you're the only one that knows me	Keep my mind off the edge
Better than I know myself	If I wanted to leave I would (8) by
All along	now
I tried to pretend it didn't matter	But you're the only one that knows me
If I was alone	Better than I know myself
Deep down I know	'Cause if I wanted to go I would have gone by now
If you were gone	But I really need you near me to
For even a day I wouldn't know which way to turn	Keep my mind off the edge
'Cause I'm lost without you	If I wanted to leave I would have left by now
I know it gets hard sometimes	But You're the only one that knows me
But I could never	Better than I (10) myself
