

Fill in the gaps

Better Than I Know Myself by Adam Lambert

Cold as ice	'Cause if I wanted to go I (13) have gone by now
And more bitter than a December	But I (14) (15) you near me to
Winter night	Keep my mind off the edge
That's how I treated you	If wanted to leave I would have left by now
And I know that I	But you're the only one that knows me
I (1) tend to lose my temper	Better than I know myself
And I (2) the line	I get (16) of dark
Yeah that's the truth	Let it go too far
I (3) it (4) (5) sometimes	I (17) be abnoxious at times
But I could never	But try and see my heart
Leave your side	'Cause I need you now
No matter what I say	So don't let me down
'Cause if I wanted to go I would have gone by now	You're the (18) thing in this world
But I really need you near me to	I would die without
Keep my (6) off the edge	'Cause if I wanted to go, I would have gone by now
If I wanted to leave I would have left by now	But I really need you near me to
But you're the (7) one that knows me	Keep my (19) off the edge
Better than I know myself	If I wanted to leave I would (20) left by now
All along	But you're the only one that knows me
I (8) to pretend it didn't matter	Better than I (21) myself
If I was alone	'Cause if I wanted to go I would have gone by now
Deep down I know	But I (22) (23) you near me to
If you (9) gone	Keep my mind off the edge
For even a day I wouldn't know which way to turn	If I wanted to leave I would (24) left by now
'Cause I'm lost (10) you	But You're the only one that (25) me
I (11) it gets hard sometimes	Better than I know myself
But I could never	
Leave (12) side	
No matter what I say
