

Fill in the gaps

It's alright
There comes a time
Got no (1) to search
For peace of mind
Layin' low
Want to (2) it slow
No more hiding or
Disguising truths I've sold
Everyday it's something
Hits me all so cold
Find me sittin' by myself
No excuses, (3) I know
It's okay
Had a bad day
Hands are (4) from
Breaking rocks all day
Drained and blue
I bleed for you
You (5) it's funny

Well, you're drowning in it too
Everyday it's something
Hits me all so cold
Find me sittin' by myself
No excuses, (6) I know
Yeah it's fine
We'll walk (7) the line
Leave our rain
A cold trade for warm sunshine
You, my friend
I (8) defend
And if we change
Well, I (9) you anyway
Everyday it's something
Hits me all so cold
Find me sittin' by myself
No excuses, then I know

1. patience

- 2. take
- 3. then
- 4. bruised
- 5. think
- 6. then
- 7. down
- 8. will
- 9. love
