

Fill in the gaps

It's alright	Well, you're drowning in it too
There (1) a time	Everyday it's something
Got no (2) to search	Hits me all so cold
For peace of mind	Find me sittin' by myself
Layin' low	No excuses, then I know
Want to take it slow	Yeah it's fine
No (3) hiding or	We'll (6) down the line
Disguising truths I've sold	Leave our rain
Everyday it's something	A cold (7) for warm sunshine
Hits me all so cold	You, my friend
Find me sittin' by myself	I will defend
No excuses, (4) I know	And if we change
It's okay	Well, I love you anyway
Had a bad day	Everyday it's something
Hands are (5) from	Hits me all so cold
Breaking rocks all day	Find me sittin' by myself
Drained and blue	No excuses, (8) I know
I bleed for you	
You think it's funny
