

## Fill in the gaps

What a waste of time	But you give it to me anyway
Precious (1) time	What a waste of time
But I'll (2) some of yours babe	Precious (12) time
If you waste some of mine	But I'll waste some of yours babe
What a waste of time	If you waste (13) of mine
Precious little time	What a waste of time
But I'll (3) some of yours babe	Precious (14) time
If you waste some of mine	But I'll waste some of (15) babe
There's a moment that feels (4) a-nothing	If you waste some of mine
Until it's passed away	'Cause I know (16) I got
There's a glow and it won't last forever	And it's setting me free
Think about it every day	Anything (17) you (18) then I'm happy
I don't know what you see in me	to be
I don't know why you stay	'Cause if I don't have your face
'Cause you don't owe me nothing	Then there's (19) to see
But you give it to me anyway	So baby please don't leave me
What a waste of time	Baby (20) don't (21) me
Precious little time	Baby never never never leave me
But I'll (5) some of yours babe	
If you (6) of mine	Yeah yeah yeah
What a waste of time	Yeah yeah yeah
Precious little time	Yeah yeah yeah yeah yeah
But I'll (8) some of yours babe	What a waste of time
If you waste (9) of mine	Precious little time
So you think that it's not really working	But I'll waste some of yours babe
Well (10) look again	If you waste (22) of mine
It's imperfect and that's why it's perfect	What a waste of time
Other (11) are so plain	Precious (23) time
You don't always see the best in me	But I'll waste (24) of yours babe
And I don't know what to say	If you waste some of mine
'Causa you don't awa ma nathing
