

## Fill in the gaps

Let us be (1) and let's begin	Love is (14) pain
A mistake that turns into perfection	Disguised as a kiss
I (2) to see you sliding in	So make me feel it now
My underworld	Let's get on with this
This time I (3) to let you win	And the (15) the better
I'll be a (4) of my own invention	I (16) a feeling inside
Let us be wrong and let's begin	(Despacio, despacio, (17) a caer)
Once and for all	And intuition's (18) (19) a woman's
Heaven waves and braids	guide
No man shall undo	(Te siento, te siento, (20) (21) de
And I've been costume made	nacer)
For no one but you	We've been (22) each other
You know it's now or never	Since (23) we were born
I (5) a (6) inside	(Adentro, adentro, te vas quedando)
(Despacio, despacio, comienzas a caer)	And I will (24) you even (25) I am
And intuition's always been a woman's guide	gone
(Te siento, te siento, desde antes de nacer)	(Así, estoy (26) a todo)
We've (7) (8) each other	I (27) a feeling inside
Since before we were born	(Despacio, despacio, comienzas a caer)
(Adentro, adentro, te vas quedando)	And intuition's always been a woman's guide
And I will want you (9) (10) I am	(Te siento, te siento, desde antes de nacer)
gone	We've been wanting each other
(Así, estoy dispuesta a (11) amor)	Since before we were born
This time I plan to let you win	(Adentro, adentro, te vas quedando)
I'll be (12) in (13) subordination	And I (28) love you even after I am gone
I'll be devoted to your will	After I am gone
Once and for all
