

Fill in the gaps

I've tried to let it go	You, me, good as can be
But these (1) I can't ignore	Want to be more than (18) company
'Cause every time that I look at you	So bet (19) money on me
Know we're in a catch twenty-two	I'm gold, gold
We've (2) friends for so (3) but I	(Na ra ta la la)
Need to (4) you what's on my mind	I'm gold, gold
I'm (5) and (6) of playing games	(Na ra ta la la)
'Cause I know that you feel the same	I'm gold, gold
I know you inside out, so I'm asking now	Been to cool just to tell you staight out
Take a chance on me	But by now
How much (7) can I be?	I wish you figured it out
Hey, boy, watcha (8) do?	I wish you (20) it out
If you want me like I want you	I wish you figured it out
Then man up and make (9) move	I wish ya
I'm gold, gold	You're not a fool
You, me, good as can be	You see (21) I'm about
Want to be more than your company	So by now I (22) you (23) it
So bet your money on me	out
I'm gold, gold	I think you figured it out
Do I (10) need to spell it out?	I think you figured it out
My hearts (11) when you're around	I think ya
I got everything (12) you need	(Hey) Hey, boy watcha gonna do?
So come on baby get close to me	If you want me like I want you
So confused and I'm not surprised	Then man up and (24) your move
From girl to girl, I've seen you roll dice	I'm gold, gold
Know all your moves don't (13) why I fall	You, me (25) as can be
Should put me off, but (14) it all	Want to be (26) than your company
I know you inside out, so I'm asking now	So bet your money on me
Take a (15) on me	I'm gold, gold
How much clearer can I be?	(Na ra ta la la)
Hey, boy (16) gonna do?	I'm gold, gold
If you want me (17) I want you	(Na ra ta la la)
Then man up and make your move	I'm gold, gold
I'm gold, gold
