

Fill in the gaps

Weekends in bed	We spend all our time lying side by side
No (1) or bacon	Going nowhere, it's really something
I just (3) time for you	Getting busy, doing nothing
Backs on the grass	We spend all our time (14) our lives
Heads in the clouds	Going nowhere, it's (15) something
We closed our eyes	Getting busy, doing nothing
Enjoy the view	Doing nothing
We don't wanna hear	We (16) be (17) har
The (4) world passing by	Instead of lying here naked
Saying that we're crazy	Phone rings but I wont take it
We (5) all our (6) lying (7)	'Cause you (18) get one life
by side	Only get one life
Going nowhere, it's really something	All our time lying side by side
Getting busy, doing nothing	Going nowhere, it's really something
We spend all our (8) running our lives	Getting busy doing nothing
Going nowhere, it's really something	We spend all our (19) running our lives
Getting busy, doing nothing	Going nowhere, it's (20) something
No (9) or DVD's	Getting busy, doing nothing
We (10) got better (11) to do	All our time
I'll (12) your hand	Doing nothing
Or shall we dance together?	All our time
It's so hard to choose	Getting busy, doing nothing
Every time we hear	
The whole (13) rush by	
I know that we're not crazy
