## Finally Found You by Enrique Iglesias & Sammy Adams

You know I'm gon' get ya	That I finally found
Yeah	I finally found you
Whatever it takes to	I finally found
Get there	I finally found you
No I won't drop you	Yeah, so can I get love
Like everybody else does	Too much to ask for
Forget about your friends	Really so tough
They don't care where we go	Find (8) moving
If they do	With the sex in the drums
We'll get (1) in a crowd of people	Got my hands full
I've been looking for you forever baby we go	Grabbing on skirts, skirts
Together baby we go, we go	Hands up, hands up
In (2) (3) world of choices I've only	Dance floor chillin' while I hold two cups
got a few	Can't stop spilling,
Either you're coming with me	'Cause I'm (9) as ****
Or I'm coming with you	And my song comes on
Cause I finally found	And the club goes nuts
I finally found you	Everytime the side goes
You'll never have to worry if I what I say is true	City I sleep best that all know
Girl I've been looking for you	Running around and doing all these shows
And when I saw you I knew	Round the whole globe
That I finally found	And come, and you go girl
I finally found you	Ain't it need to think of it
I'm coming I'll get ya	Just arrive for the night, baby live a bit
Yeah	With a (10) to hit
We have a connection, that's right	And your plans to see
This girl I'm not letting go	You can make a scene and party
I'm (4) make you feel right	Are you into it?
(Oh) yeah	
Forget about your friends	In this crazy world of choices I've only got a few
They don't care where we go	Either you're coming with me
If they do	Or I'm coming with you
We'll get lost in a crowd of people	'Cause I finally found
I've been looking for you forever baby we go	I finally found you
Together baby we go, we go	Finally, finally found you
In this crazy world of choices I've only got a few	Finally, finally, finnally found
Either you're (5) with me	Finally found
Or I'm coming with you	I finally found you
Cause I finally found	You know I'm gon get ya
I finally (6) you	Yeah
You"ll never have to worry if I what I say is true
