Too Close by Maddi Jane & CJ Holland

You know I'm not one to break promises	There's nothing I can really say
I don't wanna hurt you but I need to breathe	I can't lie no more, I can't hide no more
At the end of it all, you're (1) my best friend	Got to be true to myself
But there's (2) inside that I	And it feels like I am just too close to (9) you
(3) to release	So I'll be on my way
	I'll be on my way
Which way is right, which way is wrong	I'll be on my way
How do I say that I need to move on	(Hmm oh oh oh)
You know we're (4) is separate ways	I'll be on my way
And it (5) like I am just too close to (6)	I'll be on my way
you	You know I'm not one to break promises
There's nothing I can really say	I don't wanna hurt you
I can't lie no more, I can't hide no more	And it feels like I am just too close to love you
Got to be true to myself	There's nothing I can really say
And it (7) like I am just too close to love you	I can't lie no more, I can't hide no more
So I'll be on my way	Got to be true to myself
You're giving me (8) that I can return	And it feels like I am just too close to love you
Yet there's (oh) so much that you deserve	So I'll be on my way
Nothing to say, nothing to do	
I've nothing to give, I must leave without you	
You know we're heading separate ways
