

## Fill in the gaps

## Too Close by Maddi Jane & CJ Holland

You (1) I'm not one to (2) promises	There's nothing I can (16) say
I don't wanna hurt you but I (3) to breathe	I can't lie no more, I can't hide no more
At the end of it all, you're still my best friend	Got to be true to myself
But there's something (4) that I need to	And it feels like I am just too (17) to
release	(18) you
	So I'll be on my way
Which way is right, which way is wrong	I'll be on my way
How do I say (5) I need to (6) on	I'll be on my way
You know we're heading is separate ways	(Hmm oh oh oh)
And it feels (7) I am (8) too	I'll be on my way
(9) to love you	I'll be on my way
There's nothing I can (10) say	You know I'm not one to (19) promises
I can't lie no more, I can't hide no more	I don't wanna hurt you
Got to be true to myself	And it feels (20) I am just too close to love you
And it feels like I am just too (11) to love you	There's nothing I can (21) say
So I'll be on my way	I can't lie no more, I can't hide no more
You're giving me more that I can return	Got to be true to myself
Yet there's (oh) so much that you deserve	And it feels like I am (22) too close to
Nothing to say, nothing to do	(23) you
I've nothing to give, I must (12)	So I'll be on my way
(13) you	
You know we're (14) separate ways	
And it feels like I am just too (15) to love you
