Jar Of Hearts (Cover) by Maddi Jane

Fill in the gaps

I know I can't take one more step	Dear, it took so long
Towards you	Just to feel alright
'Cause all that's waiting is regret	Remember how to put
And don't you (1) I'm not your ghost anymore?	Back the light in my eyes
You (2) the (3) I (4) the	I (17) I had missed
most	The first (18) that we kissed
I (5) to live, half-alive	'Cause you broke all your promises
And now you want me one (6) time	And now you're back
And who do you (7) you are?	You don't get to get me back
Running 'round leaving scars	And who do you (19) you are?
Collecting your jar of hearts	Running 'round leaving scars
And tearing love apart	Collecting your jar of hearts
You're (8) catch a cold	And (20) love apart
From the (9) (10) (11)	You're gonna (21) a cold
soul	From the ice (22) your soul
So don't come back for me	So don't come back for me
Who do you think you are?	Don't (23) (24) at all
I hear you're asking all around	And who do you think you are?
If I am anywhere to be found	Running 'round leaving scars
But I have grown too strong	Collecting your jar of hearts
To ever fall back in your arms	And tearing love apart
And learn to live half alive	You're (25) (26) a cold
And now you want me one (12) time	From the ice inside your soul
And who do you think you are?	So don't come back for me
Running 'round (13) scars	Don't come (27) at all
Collecting your jar of hearts	Don't come back at all
And (14) love apart	Who do you (28) you are?
You're gonna catch a cold	
From the ice inside your soul	
So don't (15) back for me	
Don't come (16) at all
