Jar Of Hearts (Cover) by Maddi Jane

I know I can't take one more step	Dear, it took so long
Towards you	Just to feel alright
'Cause all that's waiting is regret	Remember how to put
And don't you know I'm not your ghost anymore?	Back the light in my eyes
You lost the love I loved the most	I wish I had missed
I learned to live, half-alive	The first time (7) we kissed
And now you want me one more time	'Cause you broke all (8) promise
And who do you (1) you are?	And now you're back
Running 'round (2) scars	You don't get to get me back
Collecting your jar of hearts	And who do you think you are?
And tearing love apart	Running 'round leaving scars
You're gonna catch a cold	Collecting (9) jar of hearts
From the eyes inside your soul	And tearing love apart
So don't come (3) for me	You're gonna (10) a cold
Who do you think you are?	From the ice inside your soul
I hear you're (4) all around	So don't come back for me
If I am anywhere to be found	Don't come back at all
But I have grown too strong	And who do you think you are?
To ever fall (5) in your arms	Running 'round leaving scars
And learn to live half alive	Collecting your jar of hearts
And now you want me one (6) time	And tearing love apart
And who do you think you are?	You're gonna catch a cold
Running 'round leaving scars	From the ice inside your soul
Collecting your jar of hearts	So don't come back for me
And tearing love apart	Don't come back at all
You're gonna catch a cold	Don't come back at all
From the ice inside your soul	Who do you think you are?
So don't come back for me
