You won't hear me
But you'll feel me
Without warning
Something's dawning
Listen, listen
Then within your senses
You'll know you're defenseless
How (1) heart beats
When you run for cover, cover
You can't retreat
I spy (2) no other
Then we race together
We can (3) forever
Wrapped in horsepower
Wrapped in horsepower Driving into fury
Driving into fury
Driving into fury Changing gear
Driving into fury Changing gear I pull you tighter to me
Driving into fury Changing gear I pull you tighter to me I'm (4) turbo lover
Driving into fury Changing gear I pull you tighter to me I'm (4) turbo lover Tell me there's no other
Driving into fury Changing gear I pull you tighter to me I'm (4) turbo lover Tell me there's no other I'm your turbo lover
Driving into fury Changing gear I pull you tighter to me I'm (4) turbo lover Tell me there's no other I'm your turbo lover Better run for cover

With every (5) alive
We move so fast it seems as though
We've taken to the sky
Love (6) in harmony
We hear the engines cry
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
On and on
We're charging to the place so many seek
In perfect synchronicity
Of which so many speak
We (7) so close to heaven
In this roaring heavy load
And then in sheer abandonment
We shatter and explode, explode
I'm your turbo lover
Tell me there's no other
I'm your (8) lover
Better run for cover

I'm your turbo lover
