## Round & Round by Selena Gomez & The Scene

Round and round	Going round and round
Round and round	We'll never get where
Round and round	We're going round and round
You see me standing there	Well you're gonna miss me
And act like you dont know me	'Cause I'm (5) dizzy
But last (1) you were calling me	Going round and round and round
Saying you want me	Love me or Love me not
(Oh) why you always make me feel	I'm starring at the clock
Like I'm the one that's crazy	I take them flower petals off
You got my heart racing	And then I watch them drop
My-my heart racing	Love me or love me not
Boy, I need you here with me	I'm starring at the clock
We can't go on this way	I take them (6) petals off
I'm falling hard for you	And then I watch them drop
All I can say	Boy, I need you here with me
We're going round and round	I can't go on this way
We're never gonna stop	I'm falling (7) for you
Going round and round	All I can say
We'll never get where	Round and round
We're going (2) and round	We're never gonna stop
Well you're gonna miss me	Going (8) and round
'Cause I'm getting dizzy	We'll never get where
Going round and round	We're going round and round
You tried to pull me close	Well you're gonna (9) me
And whisper in my ear	'Cause I'm getting dizzy
You always told me lies	Going round and round and round and rour
I've cried out all my tears	We're never gonna stop
I pushed my feelings to the side	Going round and round
But then you bring them back	We'll never get where
B-bring them back	We're going round and round
Now you got me singing	Well you're gonna miss me
Boy, I need you here with me	'Cause I'm (10) dizzy
We can't go on this way	Going round and round and round
I'm (3) for you	(Whoa Whoa Whoa)
