

## Fill in the gaps

## Chasing Cars (2007) by Snow Patrol

vve'll do it all	Chasing cars
Everything	Around our heads
On our own	If I lay here
We don't need	If I just lay here
Anything	Would you lie with me and just (5) the world?
Or anyone	Forget what we're told
If I lay here	Before we get too old
If I just lay here	Show me a (6) that's bursting (7)
Would you lie with me and (1) forget the world?	life
I don't quite know	All that I am
How to say	All that I (8) was
How I feel	Is here in your perfect eyes
Those (2) words	They're all I can see
Are said too much	I don't (9) where
They're not enough	Confused about how as well
If I lay here	Just know that these things will never
If I just lay here	Change for us at all
Would you lie with me and just (3) the world?	If I lay here
Forget what we're told	If I just lay here
Before we get too old	Would you lie with me and just (10) the
Show me a garden that's bursting (4) life	world?
Let's waste time
