Take Back The Night by Justin Timberlake

(Yeah)
Feels good, don't it
Listen
(Yeah)
This was your city
You did it all and more
Broke every law except for one, babe
Attraction
Are you ready
I know you feel it
Pull you nearer till you feel it again
I wanna do something right
But we can do something better
Ain't no time (1) tonight
And we ain't trying to save it till later
Stay out (2) living the (3) (yeah)
Stay out (2) living the (3) (yeah) Nobody cares who we are tomorrow (come on now)
Nobody cares who we are tomorrow (come on now)
Nobody cares who we are tomorrow (come on now) You got that little some I like
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender I won't lead your love astray
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender I won't lead your love astray Astray (yeah)
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender I won't lead your love astray Astray (yeah) Your love's a weapon
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender I won't lead your love astray Astray (yeah) Your love's a weapon Give your body some direction
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender I won't lead your love astray Astray (yeah) Your love's a weapon Give your body some direction That's my aim
Nobody cares who we are tomorrow (come on now) You got that little some I like A little some I've been wanting to borrow Tonight's the night, come on surrender I won't lead your love astray Astray (yeah) Your love's a weapon Give your body some direction That's my aim Then, we could (take back the night)

Jingles	
You can't catch your breath	
(Take back the night)	
Don't know when the sun is rising next	
(Take back the night)	
So if the feeling's right	
Then raise your glass and let's	
Take back the night	
Take back the night	
They going try to shut us down	
But I'll be damned if we going let them	
Take back the night	
Take (4) the night	
You know you going mess around	
And find out there ain't no one better	
Take back the night	
(Yeah)	
Rare	
There's not too many	
No one but you and crowded rooms	
We can do anything (yeah)	
Attraction	
Can drive you crazy	
And the way you're moving, you go crazy	
That's incentive for me	
I wanna do something right	
But we can do (5)	better

There ain't no time like tonight

Stay out here living the life

And we ain't trying to save it till later

Nobody cares who we are tomorrow

You got that little some I like
A little some I've been wanting to borrow
Tonight's the night, come on surrender
I won't lead your love astray
Astray (yeah)
Your love's a weapon
Give your body some direction
That's my aim
Then, we could (take back the night)
Come on, use me up until there's nothing left
(Take back the night)
Dizzy, spinning, sweating
You can't catch your breath
(Take back the night)
Don't know when the sun is rising next
(Take back the night)
So if the feeling's right
Then raise your glass and let's
Take back the night
Take (6) the night
They going try to shut us down
But I'll be damned if we going let them
Take back the night
Take back the night
You know you going mess around
And find out there ain't no one better

Take back the night
