Fill in the gaps

| It's the (1) I guess | In the end |
|--|--|
| For the (2) I've told | In the end |
| That the (3) it no (4) thrills me | There's nothing more to life (7) love is there? |
| And why can't we laugh? | In the end |
| When it's all we have | In the end |
| Have we put these childish things away? | It's time for us to lose our weary minds |
| Have we lost the magic that we (5) had? | We're (8) 'til we learn how to ask |
| In the end | We're lost 'til we (9) how to ask |
| In the end | We're lost 'til we learn how to ask |
| There's (6) more to life than love is there? | So please, please just ask |
| In the end | In the end |
| In the end | In the end |
| It's time for us to lose our weary minds | There's nothing more to life than love is there? |
| Will you dance with me? | In the end |
| Like we used to dance | In the end |
| And remember how to move together | It's time for us to lose our weary minds |
| You are the torch | There's nothing more to life than love is there? |
| And it all makes sense | |
| I've waited here for you forever | |
