

I've waited here for you forever

Fill in the gaps

It's the (1) I guess	In the end
For the lies I've told	In the end
That the truth it no longer thrills me	There's (6) (7) to life than love
And why can't we laugh?	is there?
When it's all we have	In the end
Have we put these (2) things away?	In the end
Have we lost the (3) that we once had?	It's time for us to lose our weary minds
In the end	We're lost 'til we learn how to ask
In the end	We're lost 'til we learn how to ask
There's nothing (4) to life (5) love is	We're lost 'til we learn how to ask
there?	So please, please just ask
In the end	In the end
In the end	In the end
It's time for us to lose our weary minds	There's nothing more to life than (8) is there?
Will you dance with me?	In the end
Like we used to dance	In the end
And remember how to move together	It's time for us to lose our weary minds
You are the torch	There's nothing more to life than love is there?
And it all makes sense	
I've waited here for you forever
