Fill in the gaps

I like the people
I like the song
This is my kind of music
They play it all night long
I like the singer
He's lonely and strange
Every track has a vocal
And that makes a change
And everything (1)_____ tonight
Feels (2)_____ and so young
And anything I'd want to say
Out loud will be sung
It's in the music
It's in the song
Everyone I (3)_____ would be around
Has come along
For the music
It's in the music
It's in the song
And the feeling of the ones around us all
Is so strong
It's in the music
And everything about tonight
Feels (4)_____ and so young

And anything I'd want to say out loud
Will be sung
This is my kind of music
They play it all night long
Expressing passion
Explaining pain
Aspirations for a better (5)_____ are ordained
And (6)_____ about tonight
Feels right and so young
And anything I'd want to say out loud
Will be sung
This is my kind of music
They play it all night long (all night long)
It's in the music
It's in the song
And the feeling of the ones around us all
Is so strong
It's in the music
It's in the song
