

Fill in the gaps

The (1) words (2) crossed my	The (13) resolution and the only joy
mind	Is the faint spark of forgiveness in (14) eyes
'Cause there was nothing in there but you	There you are (15) (16) in
I felt every ounce of me (3) out	front of me
But the sound was trapped deep in me	There you are standing right in (17) of me
All I (4) just sped right past me	All this fear falls away to leave me naked
While I was (5) to the earth	Hold me close
I could be stuck here for a thousand years	'Cause I need you to guide me to safety
Without your arms to (7) me out	There you are (18) right in front of me
There you are (8) (9) in	There you are (19) in
front of me	(21) of me
There you are standing right in front of me	All this fear (22) (23) to leave me
All this (10) falls away to leave me naked	naked
Hold me close	Hold me close
'Cause I need you to guide me to safety	'Cause I (24) you to guide me to safety
No, I (11) wait forever	No, I wont wait forever
No, I (12) wait forever	No, I (25) wait forever
In the confusion and the aftermath	No, I wont wait forever
You are my signal fire
