

Fill in the gaps

The perfect words (1) crossed my mind
'Cause there was (2) in (3)
but you
I felt every ounce of me screaming out
But the (4) was trapped deep in me
All I wanted just sped right (5) me
While I was rooted fast to the earth
I could be stuck here for a thousand years
Without (6) arms to drag me out
There you are (7) (8) in
front of me
There you are standing right in front of me
All this fear falls (9) to leave me naked
Hold me close
'Cause I need you to guide me to safety
No, I wont wait forever
No, I wont wait forever
In the (10) and the aftermath
You are my signal fire

The only resolution and the only joy
Is the faint spark of forgiveness in your eyes
There you are standing right in front of me
There you are standing right in front of me
All this fear falls away to leave me naked
Hold me close
'Cause I need you to guide me to safety
There you are standing right in front of me
There you are standing right in front of me
All this fear falls away to leave me naked
Hold me close
'Cause I need you to guide me to safety
No, I wont wait forever
No, I wont wait forever
