

I'll sing it one (1)	_ (2)	_ for you
Then we (3)	_ have to go	
You've been the only thing	g that's right	
In all I've done		
And I can barely look at you		
But every single time I do		
I know we'll make it anywh	nere	
Away (4) here		
Light up, (5)	up	
As if you have a choice		
Even if you cannot (6)	my vo	ice
I'll be right beside you dea	r	
Louder louder		
And we'll run for our lives		
I can hardly speak I under	stand	
Why you can't (7)	your voice to say	
To think I (8) not see those eyes		

Fill in the gaps

Makes it so hard not to cry And as we say our long goodbye I nearly do Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you dear Have (9)_____ my dear We're bound to be afraid Even if it's just for a few days Making up for all this mess Light up, light up As if you (10)_____ a choice Even if you cannot hear my voice I'll be right beside you dear
