f you were here (1) me	Instead of in New York
nstead of in New York	In the arms, you (13) you'd never leave
f the curve of you was curved on me	I'd (14) you (15) it's simple
'd tell you that I loved you	And it was only (16) thus
Before I ever (2) you	There is nowhere else that I belong
Cause I loved the (3) thought of you	Come on, come out
f our (4) are (5) broken	Come here, come here
And there's no joy in the mending	Come on, come out
There's so much this (6) can teach us both	Come here, come here
Though there's distance and there's silence	Come on, (17) out
Your words have never left me	Come here, come here
They're the (7) that I say every day	Come on, (18) out
Come on, (8) out	Come here, (19) here
Come here, come here	The long neon nights and the eek of the ocean
Come on, come out	And the (20) (21) was
Come here, come here	(22) to spark
Come on, come out	I miss it all (23) the (24) to the lightning
Come here, come here	And the (25) of it (26) me in two
Come on, (9) out	Just give me a sign
Come here, come here	There's an end and a beginning
The (10) (11) nights and the eek of the	To the quiet chaos (27) me mad
ocean	The long neon nights
And the fire (12) was starting to spark	And the want of the ocean
miss it all	And the fire that is starting to go out
From the love to the lightning	
And the lack of it snaps me in two
