## Hopeless Wanderer by Mumford & Sons

You heard my voice	So (7) (8) click in my head
came out of the woods by choice	And I won't remember the words that you said
Shelter also gave their shade	You brought me out from the cold
But in the dark I have no name	Now, how I long, how I long to grow old
So leave (1) click in my head	So when your hope's on fire
And I will (2) the words (3)	But you know your desire
you said	Don't hold a (9) over the flame
Left a clouded mind and a heavy heart	Don't let (10) heart grow cold
But I am sure we could see a new start	I will call you by name
So when your hopes on fire	I will share your road
But you know your desire	Hold me fast, hold me fast
Don't hold a glass over the flame	'Cause I'm a hopeless wanderer
Don't let your heart grow cold	Hold me fast, hold me fast
will call you by name	'Cause I'm a hopeless wanderer
will share your road	I will learn
Hold me fast, (4) me fast	I will learn to love the skies I'm under
Cause I'm a hopeless wanderer	I will learn
Hold me fast, hold me fast	I will learn to love the skies I'm under
Cause I'm a hopeless wanderer	The skies I'm under
(5) long with my youth	
We tried so hard to live in the truth	
But do not tell me all is fine
