

Fill in the gaps

Hopeless Wanderer by Mumford & Sons

You heard my voice	So leave (16) click in my head
I came out of the woods by choice	And I won't remember the (17) (18)
Shelter also (1) shade	you said
But in the (3) I have no name	You brought me out from the cold
So leave (4) click in my head	Now, how I long, how I long to grow old
And I will (5) the words that you said	So when your hope's on fire
Left a clouded mind and a heavy heart	But you know your desire
But I am sure we could see a new start	Don't hold a glass over the flame
So when your hopes on fire	Don't let your (19) grow cold
But you (6) your desire	I will call you by name
Don't hold a glass (7) the flame	I (20) your road
Don't let (8) heart grow cold	Hold me fast, (22) me fast
I (9) you by name	'Cause I'm a hopeless wanderer
I (11) share (12) road	Hold me fast, (23) me fast
Hold me fast, hold me fast	'Cause I'm a hopeless wanderer
'Cause I'm a hopeless wanderer	I will learn
Hold me fast, hold me fast	I will (24) to love the skies I'm under
'Cause I'm a (13) wanderer	I (25) learn
I wrestled long with my youth	I will learn to love the skies I'm under
We tried so hard to live in the truth	The skies I'm under
But do not tell me all is fine	
When I (14) my head, I (15) my spine
