

## Fill in the gaps

All of my life	And the bee's still following me
I've been running from the sting	All of my life
Stole the honey from the hive	I've been running from the sting
And the bee's still following me	Stole the honey from the hive
Lend (1) sugar to your neighbor	And the bee's (5) following me
Do a girl a favor	Why do good things happen to
I might return it later	Bad bad people?
I'm salt	Why do bad (6) happen to
It's really not my fault	Good good people?
My heart's on my t-shirt	Why do good things happen to
Maybe you could keep it	Bad bad people?
If the devil were a woman	Why do bad things happen to
I wouldn't have to run away	Good good people?
If the devil were a woman	If the devil were a woman
Maybe she'd understand me	I wouldn't have to run away
All of my life	If the devil (7) a woman
I've been running from the sting	Maybe she'd (8) me
Stole the (2) from the hive	If the devil were a woman
And the bee's still following me	I wouldn't have to run away
All of my life	If the devil were a woman
I've been running from the sting	Maybe she'd understand me
Stole the honey (3) the hive	Maybe she'd understand me
And the bee's still following me	All of my life
(One, open your heart, fly)	I've been running from the sting
(Two, never retreat see)	Stole the honey from the hive
(Three, go miss a long time)	And the bee's still following me
(Four, I will be dreaming)	All of my life
I, I just wanted something sweet	I've been running from the sting
And nothing in my kitchen	Stole the (9) from the hive
So I had to look for something	And the bee's still, bee's still (10) me
So I took the road less traveled in	All of my life
A world so appetizing	I've been running, I've been running
I had to lick the icing	The bee's still following me
If the devil were a woman	(All of my life)
I wouldn't have to run away	(I've been running)
If the devil were a woman	And the bee's still following me
Maybe she'd understand me	And the bee's still
All of my life	The bee's still following me
I've been (4) from the sting
