

I'm in misery where you can seem

Fill in the gaps

The Mother We Share by CHVRCHES

Never took (1) side	As old as (18) omens
Never cursed (2) name	And the mother we share
keep my (3) shut tight	Will (19) keep (20) proud head from
Until you go	falling
We've come as far	The way is long
As we're ever (4) get	But you can make it easy on me
Until you realize	And the mother we share
That you should go	Will (21) keep our (22) hearts
I'm in (5) where you can seem	(23) calling
As old as your omens	Into the night for once
And the mother we share	We're the only ones left
Will never keep (6) proud (7)	I bet you even know
(8) falling	Where we could go
The way is long	And when it all ***** up
But you can make it easy on me	You put (24) head in my hands
And the mother we share	It's a souvenir
Will never (9) our cold hearts (10)	For when you go
calling	I'm in misery where you can seem
In the (11) of night	As old as (25) omens
I'm the only one here	And the mother we share
And I will (12) you	Will never keep your proud head (26) falling
Until you go	The way is long
Cause if I told the truth	But you can (27) it easy on me
I (13) be free	And the mother we share
And (15) a (16) (17) me	Will (28) keep our cold hearts from calling
Until you go
