Fill in the gaps

Right Place Right Time by Olly Murs

We got our eyes (1) open	Hoping we can make this a long night
Feeling like we are almost there	This is why we came, yeah
Words unspoken	I can feel it in my veins
Disappearing in the air	So (11) is what it feels like
All I see is you and I	Right place, the (12) time
You're the only lifeline	With you
That I need tonight	Right place, the right time
I'm letting go	With you
So (2) is what it feels like	Right place, the right time
Be in the right place, the (3) time	Right here and now feels (13) forever
I'm (4) of a delight	Never touch the ground
Hoping we can make this a (5) night	When we are together
This is why we came, yeah	Right (14) and now feels like forever
I can feel it in my veins	Forever, forever, forever
So (6) is what it (7) like	So this is what it feels like
Right place, the right time	Be in the right place, the right time
Loud explosions	I'm hanging of a delight
Only you and I can hear	Hoping we can make this a long night
Doors fly open	Right place, the right time
You're the cure for all my fears	Right place, the right time
All I see is you and I	Right (15) and now feels like forever
You're the only lifeline	(Never (16) the ground)
That I need tonight	(When we are together)
I'm letting go	Right here and now feels (17) forever
So this is (8) it feels like	Right place, the right time
Be in the (9) place, the right time	
I'm (10) of a delight
