## Loving You by Matt Cardle & Melanie C

Leave your door open	It's not enough for this heart
I wanna (1) over	Who do you think about when I'm not with you?
The night is only young	Does somebody hold you when you let me go?
I (2) get under your body	You can't hide, you can't lie
Take you over, come undone	'Cause (7) I'm loving, loving, loving you
But why do we (3) give it up?	I could tell myself that I don't need you
Give it up in the dark	I could try to run away from the truth
'Cause I can't help thinking	I can't hide, I can't lie
It's not enough	'Cause baby I'm loving, loving, loving you
It's not enough for (4) heart	Would it change if I asked you to stay?
Who do you think about when I'm not with you?	If I pulled, (8) it push you away?
Does somebody hold you when you let me go?	But it's just the chance I'll take
You can't hide, you can't lie	'Cause I want your loving
'Cause (5) I'm loving, loving, loving you	Who do you think about when I'm not with you?
I could tell myself that I don't need you	Does somebody hold you when you let me go?
I could try to run away (6) the truth	You can't hide, you can't lie
I can't hide, I can't lie	'Cause (9) I'm loving, loving, loving you
'Cause baby I'm loving, loving, loving you	I could tell myself that I don't need you
My door is open	I could try to run away from the truth
Come on over, the night is still young	I can't hide, I can't lie
I wanna get over your body	'Cause baby I'm loving, loving, loving you
Take you under, come undone	Baby I'm loving, loving, loving you
But why do we only give it up?	Baby I'm loving, loving, loving you
Give it up in the dark	
And I can't help thinking
