

Fill in the gaps

I thought the candle was gonna go out
The wind was blowing and the door was open
But the candle never went out
Never went out
The wave found its way to the shore
I thought it was a ripple and nothing more
But the wave found its way all the way
To the shore
(Oh oh) I wanna burn this house
I know, I wanna jump into the fire
(Oh oh) (1) got to (2) them down
The pinnacles of my invisible empire
I know the gamble never works twice
All the distractions of the table
And the weighted dice
But the thrill of it feels so nice
You'd do it all again
But I (3) to the chips and lose
I'm standing on the platform
With my neck in the noose
And I know it's not my time
It's not my time
(Oh oh) I (4) burn this house
I know, I wanna (5) into the fire

(Oh oh) I've got to tear (6)____ down

The pinnacles of my invisible empire		
And if I do all the things I do		
Well, I tell myself that I'm staying true		
Know I'll never stop		
You (7) I'll never stop		
You know I'll never think about it		
Put an end to all this time		
That I would spend with it on my mind		
You (8) it never stopped		
You know it never stopped		
You know I always wondered about it		
I wondered about the wonder		
(Oh oh no oh oh) I wear a rusting crown		
I know this dynasty is falling		
The crowd shouts for (9)	round	
I see the ruin		
The spectacular		
Diamonds buried		
Icebergs, the minarets		
And the marketplaces		
The signal fires of my (10)		empire
