

Fill in the gaps

Lately	'Cause my fire isn't gone
You've been tearing me down	You can chain me and shake me and change me
I won't lie	I'll only (19) it for so long
Kept my (1) on solid ground	So long
I won't die	Baby, baby you can see it how you want
I'm not sleeping I'm still dreaming of you	But I'm aching, aching
Of you	You won't fight for (20) we've got
Maybe	What I'm needing is healing
I'm not (2) your (3) but I'll fight	Believe me
For the love I see behind (4) eyes	You kept me waiting for too long
You've (5) hiding but I'm (6) for	For too long
you	So come and get it
For you	Before its all gone
Baby, baby there's not (7) in (8)	So come and get it
arms	Before I'm long gone
You won't (9) me	So come and get it
Break me 'cause my fire isn't gone	Before its all gone
You can chain me and (10) me and change me	So (21) and get it
I'll only take it for so long	
So long	Before I'm long gone
Baby, baby you can see it how you want	Baby, (22) there's not (23) in your
But I'm aching, aching	arms
You won't (11) for (12) we've got	You won't break me, break me
What I'm needing is healing	'Cause my fire isn't gone
Believe me	You can (24) me and (25) me and
You kept me waiting for too long	change me
For too long	I'll only take it for so long
So come and get it	So long
Before its all gone	Baby, baby you can see it how you want
So come and get it	But I'm aching, aching
Before I'm long gone	You won't fight for what we've got
I know (13) the truth is	What I'm needing is healing
hard	Believe me
Need to make your next move	You kept me waiting for too long
Because	For too long
I'm not (15) you can't (16) it	So (26) and get it
to me	
To me	
Baby, baby there's not (17) in your arms	
You won't break me, (18) me
